

# Thorn Castle

## Thorn Castle

*Thorn Castle*, a drama of the men and women who fought and loved in the sweeping turmoil of World War II. The plot shifts among the German and American milieu with history, political intrigue, hostility and romance. As Germany poured death and destruction on Poland that heralded the beginning of World War II, along with the devastating surprise attack on Pearl Harbor, the novel takes you to the forefront of defeat to victory, mingling fact and fiction.
