Dear Fellow performers:

You have all been terrific and your performances excellent and entertaining.

I am writing this letter with heavy heart since it is the end of an era in my life. I am now 85 years old and have come to the conclusion after some recent health problems, that it is time to act my age and be a spectator and possibly an occasional performer, but no longer a producer. Producing is just too much work and I am no longer up-to-it. I want to smell the roses too.

This is the end of 6 ½ years of producing these shows at Calusa Harbour, and for a man of my years, "Enough Already".

I want to direct all of you with your talents, to the Tamiami Tale Tellers where Tale Telling has been going on for many years and still is. The leaders are Lisa Leonhardt and Marilyn Graham. The meetings are every third Thursday of the month at the Grand Court retirement facility, on College Parkway, (south side) 1 block east of Winkler Blvd. Time is 7:00 and all are welcome. I am a regular visitor and hope to see you there.

If you have been scheduled for future performances with the Calusa Tale Tellers, please forgive my retirement. I hope to see you all at the Tamiami Tale Tellers group Thursday May 17. Come with a 5 minute story although time is not limited as with the Calusa Tale Tellers. As a foot note, 5 minutes works well but not a requirement at TTT.

I hope to see you all there. You tell a story and so will I.

It has been an exciting 6 ½ years working with you and I have enjoyed every minute of it, thanks to y'all.

Blessings and good luck,
Russ Miller.
